

### **Puppy Foundation Classes Esher, Surrey**

The purpose of the Royvon Puppy Shaping classes are to teach the skills of positively shaping a puppy's desired behaviour as well as squash unwanted behaviour.

This is not a formal obedience class, rather a forum that provides appropriate socialisation, general education and knowledge of how to raise a happy, healthy and well balanced adult dog.

Royvon Puppy Shaping classes are on a 4 week rotation to enable new puppy owners to enrol into a class effective immediately, attending the first consecutive 4 classes to receive the complete Puppy Shaping course hands-on instruction. The classes include a pre-arranged induction with the Instructor once the booking has been confirmed to ensure the key puppy essential details are covered as early in the process as possible.

Puppy Shaping classes are held every Saturday morning from 9:00 - 10:00 and every Tuesday evening from 8:00 - 9:00. Fees include a 30-minute induction and 4 classes at one hour per week.
